MATTHEW SUGGS

Fraud Analyst

matthewsuggs@proton.me | Oklahoma City, OK

PROFESSIONAL SUMMARY

Financial services professional with 6+ years of experience across fraud investigation, lending compliance, and member operations at federally regulated credit unions. Driven by a genuine passion for helping and empowering others to achieve financial security. Prevented $100,000+ in fraud losses through account monitoring, behavioral analysis, end-to-end investigations, and SAR reporting. Skilled at managing multiple complex workflows simultaneously. Proficient in Verafin and advanced Excel. BBA in Economics, University of Oklahoma (GPA: 3.3); Master of Legal Studies candidate, OU College of Law.

PROFESSIONAL EXPERIENCE

Fraud Analyst — Oklahoma's Credit Union *Oklahoma City, OK | 2023 – Present*

- **Prevented $100,000+ in member fraud losses through investigation of check, ACH, wire, and account takeover schemes using Verafin and behavioral pattern analysis**
- Monitored member accounts and daily transaction activity for anomalies — IP irregularities, device history changes, unusual address activity, and transaction velocity indicators
- Built complete investigative case narratives with documented evidence for escalation to senior leadership and the fraud management team
- Prepared Suspicious Activity Reports (SARs) with documented investigative findings in compliance with BSA/AML reporting requirements
- Managed multiple concurrent workflows — fraud case tracking, loan maintenance, death claims, member account resolution, and many other backend processes — ensuring accuracy and compliance throughout
- Created and maintained advanced Excel reporting tools tracking fraud trends, operational metrics, and compliance performance for senior leadership
- Trained staff across the entire credit union on fraud detection, member service standards, and compliance; assisted senior leadership with risk assessment and internal controls under NCUA and BSA/AML frameworks

Loan Officer — True Sky Credit Union *Oklahoma City, OK | 2020 – 2023*

- Evaluated creditworthiness and managed loan documentation through the full application-to-closing lifecycle in compliance with Regulation Z and NCUA lending standards
- Advised members on loan products and financial strategies tailored to their individual goals; coordinated with underwriting and operations for timely, compliant file processing
- Maintained active knowledge of consumer lending regulations and institutional lending policies across a portfolio of member loan relationships

EDUCATION

Master of Legal Studies (MLS) — In Progress *General Legal Studies | Expected 2028*

University of Oklahoma College of Law | Planning to pursue a Juris Doctor (JD)

Bachelor of Business Administration — Economics *December 2024 | GPA: 3.3*

University of Oklahoma
